

### **“23<sup>rd</sup> International Engineering and Technology Fair”**

The Confederation of Indian Industry (CII) is organizing a mega international B2B event for Engineering & Technology - 23<sup>rd</sup> Edition of International Engineering and Technology Fair (IETF) on February 3-5, 2019 at Pragati Maidan in New Delhi, to showcase the industrial strengths of industries and investment opportunities from around the globe, where companies and organisations will display their latest products and technologies.

The event will serve as a unique platform for entrepreneurs, CEOs, decision makers, technical experts, innovators, diplomats, trade and government delegations, and mass media, to come together to network and forge partnerships.

The IETF 2019 will primarily focus on the initiatives of the Government of India on “Make in India”, “Smart Cities” and “Swachh Bharat”. In addition, within the framework of the fair, B2B meetings and a large number of concurrent shows are expected to be held, such as India Industrial Automation & Robotics Expo, Logistics India 2019, Metal & Metallurgy Expo, CleanTech & Environment, Real Estate & Building Technology, Health Tech India 2019, Global Showcase on Artificial Intelligence, India Gaming Show and Knowledge Expo.

Mr. Rajesh Wadhwa/Ms. Neelam Bhagat, Confederation of Indian Industry (Phone: 00-91-124-4592966, E-mail: [rajesh.wadhwa@cii.in](mailto:rajesh.wadhwa@cii.in), [neelam.bhagat@cii.in](mailto:neelam.bhagat@cii.in)) may be contacted for any further information in this regard and submission of nominations.

More updates on the event are available at <https://www.ietfindia.in/>.
